# KIDZ PARADISE

## June 2015 Newsletter

### From the Director

Is it June already? We made it through the winter and warm weather is finally here! There are a lot of exciting changes coming to Kidz Paradise in the next couple months! We are moving toward implementing Tadpoles into each classroom by the middle of July. This is the biggest change that you will see here at Kidz Paradise. We are excited to implement this program into our lesson planning, daily reports, observations and so much more. Be sure that we have an email address on file for your family so that you get the notifications and observations.

We have a few new staff in the building and one returning staff person for the summer. Please be sure to welcome Ms. Alyshia to Toddlers, Ms. Kim and Ms. Christina to Infants, and Ms. Stephanie to Summer Camp.

Please be sure to send in sunscreen for your children! That sun gets hot and we

would not want to see anyone get sunburn. The teachers will apply between one and three times a day.

We will be starting water play the week of June 15th. Please see below for the water play schedule. Each child will need swim suit, towel, water shoes or crocs, and sunscreen.

Please also be sure that your cubby has weather/season appropriate clothing in case of accidents. Kidz Paradise is limited to our selection of extra clothing available to us.

As always, if you have any questions, comments or concerns please do not hesitate to contact me. Thank you and have a great month!

Ms. Jennifer—Director

## Infants

There have been a lot of changes this month in the Infant classroom. We have adjusted well to all the new teachers that we have. Thank you for being so patient with us.

Tadpoles has begun in the infant room also! We are so excited to have this. Ms. Elisabeth and Ms. Jen are the only staff members who have been trained on it so

far so please be patient with the rest of us. Please also be sure that we have email addresses on file in the office for your family!

Ms. Melissa should be coming back soon! We are excited to have her return.

Ms. Elisabeth has been busy writing lesson plans for the classroom. Your children will be busy with all the fun things that

she is planning.

We are trying to get outside daily. Please be sure to send in weather appropriate clothing and shoes for your child to enjoy outdoor play.

If you have any questions, please do not hesitate to speak with one of us.

## Toddlers

Hello June! This month, our three themes will be weather, zoo animals and keeping myself healthy. We will be focusing our art and activities toward our themes throughout the month.

We will continue to work on counting, colors and shapes.

Please remember to dress your child appropriately for the

warmer weather. If possible, please be sure to send your child in with closed toed shoes to help prevent injuries.

If you have not brought in sunscreen, please be sure to do so.

Finally, please remember to label EVERYTHING that you bring into childcare. This includes sippy cups, jackets, sweatshirts,

etc. We do not want to have your belongings sent home with the wrong child.

If you have any questions, comments or concerns, do not hesitate to speak with one of us.

Thank you!

Ms. Amanda Ms. Shontel

Ms. Sherri Ms. Alyshia

## Preschool

Hooray for Summer! Preschool is very excited for summer to arrive! This month, we will be reviewing the alphabet and our numbers. Our themes for the month will be summer safety, Father's day, and Insects and Bugs.

We have been busy working on recognizing our names and tracing them. The class is doing an outstanding job with this and we will continue to practice them. Now that the weather is warm,

preschool loves to spend time outdoors. Please remember to send in sunscreen and we will gladly apply it before going outside. Also, please check your child's cubby to make sure they have extra season appropriate clothing.

Starting the week of June 15th, we will have water play every Monday and Wednesday, weather permitting. Please make sure that your child has a bathing suit, towel and water shoes or

crocs. (Preferrably no open toed shoes)

Finally, we would like to welcome some new faces to preschool. Rome, Julian, Konan and Chase have joined us from the toddler classroom. We wish Camden and Chase T well as they move up to Pre-k with Ms. Katie.

Have a great month. Speak with one of us if you have any questions or concerns.

Ms. Steph

Ms. Suzette

## Prekindergarten

June is finally here! We are welcoming Camden into our classroom this month. Throughout this month and the next few months, we will be working on easy sight words. Everyone has done a wonderful job with the letter sounds. Now we are going to get your children starting to read simple words. How exciting!

## Summer Camp

Welcome back to Kidz Paradise Summer Camp! We are so excited to begin a new summer! We have so many fun trips and visitors planned for the summer. Please be sure that you are sending your child in daily with a brown bag lunch (no heat-ups). This will prevent any confusion. We also are asking that the children please wear closed toe shoes for our trips. Flip flops and sandals are fine for the pool

## Dates to Remember

- June 10th—Vision Testing ages 2 thru 5 years
- June 12th—Last day of School for School-agers
- June 15th—Summer Camp Begins!

With our new comers to the classroom, we will continue to work on writing our names, recognizing the letters of the alphabet and our names, and fine motor skills.

Now that it is getting nice outside, we will be getting outside daily. Please be sure to send in a bottle of sunscreen so that we can apply it as needed through

days and days we are not going anywhere, but for safety reasons, we would like closed to shoes.

We will be hanging up a calendar in the hallway outside the School-age classroom. Please be sure to check this daily so that you are arriving at the center in time for our trips. If any child is not here by the time we leave, Kidz Paradise will be unable to provide care to that child on

the day.
