## September Newsletter

### *From the Director*

Wow! It is September already! Where did the summer go? With another school year upon us, there are a lot of fun things happening in all our classrooms. All our friends transitioned to their new classrooms and they are excited to learn and play with their new teachers and friends.

All our classrooms are clean and fresh to start the new school year! Please take a moment to get to know your child's teacher a little bit. We are all here to help you and your child to have a successful learning experience.

Please take a moment to download and update your Emergency Contact form and Parent Fee Agreement via writeable PDF format. You can then print them out, sign them and turn them into the office, or email them to me for printing and I will post them on your cubby to sign. There are also blank copies on the table in the foyer of the building.

Please be sure that you are sticking to your scheduled times with Kidz Paradise! This is super important because we staff the center based upon how many children are expected in care each day. We also ask that any variations in schedules are cleared through the office ahead of time.

Please remember that Breakfast is served 7:30a-8:30a, Lunch is served 11:30a-12:30p and Afternoon snack is served 3:00p-4:00p.

Do not forget to check your child's daily on Tadpoles each day as we put important reminders and updates on there. This is a great place to log on each morning and tell the teachers when your child will be picked up and by whom.

If you have any questions, comments or concerns, please do not hesitate to come speak with me . I hope that everyone has a wonderful month!

## **Infants**

Wow, it is September! Summer is over, but we won't stop having fun! This month, we will be learning about dinosaurs. We started the month with dino eggs and as the month goes on, we will be making more dinosaurs.

As always, we try to get outside as much as the weather allows us. Try to remember to have a least one extra change of clothing in your cubby or diaper bags, just in case of an accident.

Please speak with one of us if you have any questions, comments or concerns. Thank you and have a great month!

Ms. Elisabeth

Ms. Pennie

## **Toddlers**

September already? We would like to welcome Jinelly, Shan , Aliyah, Liam, Natalie, Mason and Jack to the toddler classroom. We are excited to have them join our fun!

This month, our themes will be farm animals, pets, zoo animals and fall. Our art projects and story selections will be based on our themes each week. Look for more specific details on what we do each day on your Tadpoles daily.

This month, we are working on drinking from a cup with little spilling, and using a spoon and fork correctly. We are also working on counting skills and the alphabet. We are practicing the months of the year and the days of the week. Throughout the day, we work on using our words.

Please keep extra clothing in your cubby in case there is an accident or they get dirty. Also, please make sure to label all belongings brought into the building.

Thank you and have a great month! If you have any questions, please do not hesitate to speak with one of us.

Ms. Amanda

Ms. Shontel

Ms. Melissa

Ms. Julie

## **Older Toddlers**

Happy September! The summer has really flown by, which means chilly weather is quickly approaching! Our themes this month are the alphabet and fall. We are focusing on ABC's, colors, numbers and shapes. I would like to welcome my new friends to the Older Toddler room, Liam, Cohen, Averie, Benji and Jackson.

Please make sure that you are checking your child's daily for things that he or she might need. If you have any questions or concerns, please do not hesitate to speak with me. Thank you!

Ms. Kourtney

## ***Preschool***

Well, this summer flew by! The school year is already here! We are excited to welcome a few new friends to the Preschool room, Gerald, Gabe, Cassie, Skyli and McKinley. We are excited to have them join our classroom and will miss our friends who moved up to the Prek classroom.

This month, we will learn about community helpers, grandparents day, family, all about me, and autumn. Please remember that every Friday, we have Show-N-Share. This is a great opportunity for your child to bring a special, school appropriate, toy in to share with their friends.

We are excited to begin the school year. Please feel free to come to us with any questions or concerns. Have a great month!

Ms. Amna

## ***Prekindergarten***

Welcome September! We have a lot of work ahead of us as we start the new school year. We would like to welcome our new Prek friends, J'Viance, Xavier, Hanna, Konan, and Alex. We will start the school year off by talking about the weather, ABC's, our first and last names, and numbers.

As a friendly reminder, please make sure that you have extra clothing in your cubby. We ask that these clothes are in a ziplock baggie to help reduce the possibility of contamination in the event of contagious illnesses. Since fall is just around the corner, be sure to send in a jacket or sweatshirt for those cooler days.

If you have any questions, please feel free to speak with one of us. Thank you and have a great month!

Ms. Katie

Ms. Amber

## ***School-Age***

School-Age comes back from school each day, washes their hands and then eats snack. Our teachers ask everyone each day who has homework, however if your child is not getting his or her homework done, please do not hesitate to speak with me and we will ensure we are getting it done. Thank you!
