

FROM THE DIRECTOR:

Happy New Year! I can't believe it is 2017 already! We have a lot of fun changes going on in the building right now. This month, we will be getting new hallway flooring and new cameras installed in the center. These upgrades to the center are all benefits of Keystone STARS Grant funding to continuously improve our program.

We want to say thank you to all the families who came out to the Family Holiday Activity! Another fun time bringing our families together.

Thank you to all of our wonderful teachers here at Kidz Paradise for another great year of teaching all the little minds.

Please be sure that you send back in the paperwork that was sent home to be updated. These forms are required by PA DPW Certification. We will be having our annual State inspection soon and I would hate to have to refuse care for any families whom do not have the required documentation in their files.

As always, if you have any questions, comments or concerns, please do not hesitate to come speak with me at your earliest convenience. Have a great month!

Happy New Year
Jennifer Knee - Director

January 2017

INFANTS

Happy New Year! It is a new year and a new month and that means more fun in the infant classroom. This month, we are going to focus on winter. You will see lots of winter themed art work being done as well as winter themed books and songs.

We look forward to seeing what the new year brings for all our Infant room friends. If you have any questions or concerns, please do not hesitate to speak with one of us.

Have a great month!

Ms. Elisabeth Ms. Pennie

TODDLERS

Hello 2017! We are going to start our the new year by working on the alphabet. We will be doing art projects based on each letter and read about the alphabet. During circle time, we will be working on recognizing our names. We are also practicing recognizing our numbers and counting to 10. Days of the week and months of the year are also reviewed during circle time.

Please be sure to check your Tadpoles daily reports on a regular basis to check if your child is in need of anything like diapers, wipes or other supplies. Also, please check to ensure that there is extra, weather appropriate clothing in your cubby in case of any accidents.

As always, if you have any questions or concerns, please do not hesitate to speak with one of us. Thank you and have a great month!

Ms. Amanda Ms. Shontel Ms. Melissa Ms. Julie

OLDER TODDLERS

We hope that you all had a wonderful holiday season. We are looking forward to starting the 2017 year with a lot of fun activities! This month, we will be working on the alphabet. We will be focusing on recognizing the letters, as well as working on shapes, colors and numbers. I am also working hard on getting all of our friends potty trained to move to preschool soon.

Please be sure to check your child's daily each and every day for things that he or she may be in need of. Also, be sure that your child has warm, weather appropriate extra clothing in his or her cubby. If you have any additional questions or concerns, please do not hesitate to come speak with me.

Ms. Kourtney

PRESCHOOL

With the new year upon us, in preschool, we will be learning about friends in neighboring countries and how they celebrate the new year. We will also be exploring birds, hibernation, MLK Jr Day and the Letter B. Through out the month, we will be learning concepts that will prepare our preschool friends for Kindergarten. We will continue to work on letter recognition, number recognition and name recognition and spelling.

Please be sure to have extra, weather appropriate clothing in your cubby in case of accidents. Please also encourage your child to wash his or her hands upon entering the classroom to help prevent the spread of germs and illness. Healthy children are happy children!

If you have any questions or concerns, do not hesitate to speak with one of us!

Ms. Erica

PREKINDERGARTEN

Welcome to 2017! Just think, 7 months till Kindergarten! This month, we will be talking about the New Year and the letters "p," "y," "v," and "u." We will also be reinforcing classroom rules and following directions the FIRST time! Many of our Prek friends are having a hard time with this.

Please encourage your child to write his or her name and letters at home as much as possible. This will help to prepare them for kindergarten.

If you have any questions or concerns, please speak with one of us. Have a great month!

Ms. Katie
