

Kidz Paradise February 2017

From the Director:

Happy February! It is the month for snow and ice so please be on the lookout for inclement weather info through Tadpoles, Email and WFMZ News. We try to consider the safety of our families and staff when making any decisions on delays or closings.

Don't forget to mark your child absent or send notes through Tadpoles if you child will be in later than normal. This helps us to ensure that we are staffing the center per State Ratios!

Any schedule changes, such as early drop off or late pick up, need to be cleared through the Director prior to the day of the change.

We have our Valentine Parties this month. All our classes will be holding them on Feb. 14th at 3:15pm. Class lists should have been distributed already and party signup sheets are on classroom doors.

We would like to wish Ms. Amna and Ms. Amber the best of luck as they come up on their maternity leaves in the next month. Please welcome Ms. Marci to the Preschool classroom with Ms. Erica over the next few months.

Our teachers are sending home Service Reports (progress reports) for all the children. We ask that you sign and date them and return them to the teachers so that we can keep them in your Childs file for State and STARS requirements. If you wish to have a copy, please let

your teacher know. Thank you for your cooperation.

Please remember that we like to take the children outside daily, anytime it is not precipitating and the real feel temp is over 25°F. Please be sure to send in snow attire (boots, snowpants, winter coat, hat, gloves, etc) so that the children can enjoy the white stuff that we have all over outside!

Most of you have noticed our new intercom system. Please bear with us as we work through glitches in the system and get it working 100% properly.

We are also excited to have a new hallway floor! It should be finished by the middle of the month and shined up by March! We love all the color!

Don't forget that we are CLOSED on Friday, February 17th and Monday, February 20th for our President's Day Teacher In-Service Day and the holiday.

As always, if you have any questions or concerns, please do not hesitate to come speak with me as soon as possible. Thank you and have a great month!

Infants

Wow, it's February already! I hope that everyone is having a great 2017 so far. This month, we are going to focus on Valentine's Day!

Our art work will consist of a lot of hearts and other fun crafts.

Just a reminder to make sure that you have at least 2 changes of clothing in a Ziploc baggie in your Childs cubby! Don't forget to label EVERYTHING you bring into the center! This will ensure that

nothing gets misplaced or sent home with the wrong child.

We would like to wish Ms. Pennie the best of luck as she we will be moving on to another career endeavor this month. We are sad to see her go but happy for her opportunities.

If you have any questions, please speak with me. Thank you and have a great month!

Ms. Elisabeth

Toddlers

Hello February! This month our themes will be Valentine's Day, Healthy Teeth and Fruits and Veggies. Our art projects will be based on these themes each week.

We will also be continuing to practice recognizing different colors and shapes. We will keep working on name recognition and alphabet recognition. Ask us where we live, we have been talking about living in Pennsylvania!

Please make sure that you are checking daily reports for important reminders. We put when you need diapers, wipes and anything else on the daily reports. Also, make sure that your child has weather appropriate clothing in his or her cubby in case of accidents.

As always, if you have any questions, please don't hesitate to speak with one of us. Have a great month.

Ms. Amanda

Ms. Melissa

Ms. Shontel

Ms. Julie

Older Toddlers

Welcome to the month of February! This month, we will be doing transportation, Valentine's Day and shapes.

During this month, we are still working on our colors, shapes and numbers. We are still working hard on getting all our friends potty trained before they go to Preschool.

Don't forget to check your child's daily reports on a regular basis as

this is where we post if you need to send anything in. Also, be sure that you have extra weather appropriate clothing in your Childs cubby.

As always, if you have any questions or concerns, please do not hesitate to speak with me.

Have a great month!

Ms. Kourtney

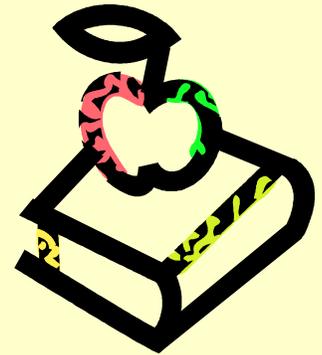

Preschool

This month, we are embracing the spirit of Valentine's Day! We will stress the value of friendship and focus on how we should treat others. The children will be encouraged to speak kindly to each other and invite friends to play with them. Many of our activities will promote teamwork, kindness and taking turns.

This month is also Dental Health Month! We will also have activities focused on healthy teeth and the five senses.

We hope that you all enjoy your month and look forward to working with you and your children this month! If you have any questions, please do not hesitate to speak with one of us!

Ms. Erica
Ms. Marci

Prekindergarten

Welcome February! January went by was too fast! Make sure that you look at our Valentine Signup sheet on the classroom door. Also, please keep an eye out for the conference forms and service reports on the cubbies.

During the month of February, we will be talking about the letters U, D, N and X. We will also be talking about Valentine's Day!

It will be getting a little cooler outside, so please be sure that you are providing extra, weather appropriate clothing in the Ziploc baggies.

As always, if you have any questions or concerns, do not hesitate to speak with me. Thank you for your time and have a great month!

Ms. Katie
