

# KIDZ PARADISE LLC

## NOVEMBER 2017

### FROM THE DIRECTOR

Wow! What a busy fall it has been so far! I can not believe that the holiday season is upon us already! Thank you to all the families who joined us for the Trick-or-Treat Event up to Penn's Crossing Retirement Community. These events are always fun to bring the parents, children and staff together. Our next family event will be our annual Thanksgiving Feast! We will be holding our feast the week after Thanksgiving this year, on Thursday, November 30<sup>th</sup>. The infants and toddlers will eat at 11:15am and the preschool and prekindergarten classes will eat at 11:45am. This will give us space between families attending so that we are not waiting in line in the kitchen. Please sign up on your child's classroom door to contribute side dishes to our feast. Kidz Paradise will provide the turkey and we ask that the families sign up to bring in side dishes to share amongst the building.

Picture day was a success. For those of you whom did not turn them in yet, please get them in to the office as we will be scheduling a second pick up as soon as we have everyone's pictures or payments! Thank you for your cooperation! We will be holding our Spring picture day near the beginning of March.

Please be aware that tuition is billed a week ahead of time. You have till the end of the business day on Thursday, 6pm, to pay before the automatic \$35 late fee is applied to your account. If you have any balance on your account on Thursday at 6pm, that late fee will be applied. If you have a remaining balance from the previous week on your account on Monday morning at drop off, Kidz Paradise will be unable to provide care for the week till that past due amount is current.

Please remember to check your cubby to ensure that your child has weather appropriate clothing. Remember, also, that we are required by State Regulations and Keystone STARS Standards, to go outside anytime that the real feel temperature is 25°F and above. Be sure that you are sending in hats, scarfs, gloves and warm coats.

If you have any questions or concerns, please do not hesitate to stop by the office, call me or shoot me an email. We look forward to continuing to provide you with the highest quality of care possible.

Have a great month!

## **INFANT CLASSROOM**

Wow, it is November already. This month we are focusing on Fall. To begin the month, we are starting off with pumpkins to finish off our Halloween celebration. Then we are going to look at different forms of transportation and then take some time to look at Thanksgiving. We are going to finish the month off by taking a trip to the zoo.

Friendly reminder to send shoes in with our mobile friends, because we like to get outside as often as possible and some of our friends like to get down and explore. Also, please send in a jacket so our friends will stay warm outside since the weather is getting a lot cooler.

As always if you have any questions or concerns please don't hesitate to come speak to one of us.

Ms. Elizabeth   Ms. Erica   Ms. Marci

## **TODDLER CLASSROOM**

November already! This year is just flying by. Our themes this month will be pumpkins, transportation, Thanksgiving and zoo. The letters this month will be P, T, Z and letter review. The colors will be yellow and blue and the shapes will be star and hearts. Our art projects and stories are based on these themes.

This month we are continuing to practice identifying basic colors and shapes. We are also continuing to practice counting to ten as well as singing the ABC's. We are also practicing identifying the months of the year and days of the week.

Please make sure to check your child's cubby for weather appropriate change of clothes. Also please make sure to label your child's belongings, like their sippy cups and jackets. As always if you have any questions don't hesitate to ask.

Ms. Amanda   Ms. Amber   Ms. Julie   Ms. Kaila

## OLDER TODDLER CLASSROOM

November already! This year is going by so quickly. Its hard to believe October is gone already. This month our themes are pumpkins, transportation, Thanksgiving and zoo. Our crafts and stories are based off of our themes for this month.

This month we will be focusing on name recognition and our letters P, T, Z. We are also going to be identifying our colors yellow and blue and our shapes which are star and heart. We also will be reviewing our letters from these letters to the beginning. We also will be doing different activities to help the children learn them easier and quicker.

Please be sure to check your child's daily every day to be sure he/ she does not need anything for the next day. The weather is also getting cooler so please be sure your child has appropriate clothing in their cubby bin. As always if you have any question or concerns please don't hesitate to come speak with me.

Ms. Kourtney

## PRESCHOOL CLASSROOM

Cold weather will be with us now until spring. We will try to get outside as many days as possible. After circle time and using small motor skills in art activities and play, it is important for all children to get outside and use their large muscle skills. The weather in the fall varies, so it is generally a good idea to send your child with a jacket for chilly weather. Please don't forget to label their jackets.

This month our themes will be pumpkins, transportation, Thanksgiving and zoo. If you have any questions or concerns don't hesitate to come speak to one of us.

Ms. Amna Ms. Shontel

## PRE- K CLASSROOM

November already? Time is sure flying by quickly! It is going to get colder, so please make sure your child's clothes in their cubby is weather appropriate and make sure they have a labeled jacket.

The themes this month are pumpkins, transportation, Thanksgiving and the zoo. The letters we will be talking about are P, T and Z. We get to work on our colors and shapes such as yellow, blue, star and heart.

Keep an eye out for our Thanksgiving feast closer to Thanksgiving week. Have a great month!

Mrs. Katie Ms. Jackie
