

KIDZ PARADISE FEBRUARY 2018

FROM THE DIRECTOR

February already? Where is the time going? Thank you all for an excellent start to the 2018 year. Hopefully we can be free and clear of the winter weather soon. Things have been very hectic with the snow and ice that we have been getting on and off. Now that the weather is getting to the point that it is fluctuating from warm to cool, please remember that we do go outside on a daily basis anytime the weather is over 25 degrees Fahrenheit and it is not precipitating. Please be sure to send your child into school with a weather appropriate jacket or coat and shoes appropriate for wearing outside.

Please remember that Kidz Paradise also puts out our annual calendar each year in May to notify all our families of our annual dates closed throughout the year. We will be closed on Monday, February 19th, 2018 for a Teacher In-Service day. Our teachers will be spending time cleaning all the sick germs away and doing Fire Safety Training!

Speaking of sick germs, please remember to follow Kidz Paradise illness policy and keep sick children home for the safety of your child and the other children in the building. We have had a lot of different illnesses going around recently including the flu, pink eye and the stomach bug. We have been cleaning toys and wiping surfaces on a daily basis. Please help us keep your children healthy by taking a few moments at drop off time to wash their hands with them in the classroom sinks. We will continue to do everything in our power to keep the center clean and provide a healthy and safe environment for all our families.

Thank you for all your cooperation! As always, if you have any questions or concerns, please do not hesitate to speak with me. Thank you!

Jennifer Knee
Kidz Paradise Director

INFANT CLASSROOM

Sometimes the littlest things take up the most room in your heart - Winnie the Pooh This month we will be celebrating Valentine's Day and learning about nutrition and heart health. Our infants are working towards reaching milestones in their development. We daily encourage them to hold their own bottle, sit up on their own, start crawling and/ or take their first steps towards walking.

Please remember to have an extra set of clothing in your child's cubbie in case of accidents. Also, our mobile infants need shoes for outdoor play, weather permitting. We'd like to welcome: Leland, Oliver to our class. If you have any questions or concerns, please feel free to speak to any of us.

Ms. Elizabeth Ms. Erica Ms. Marci

TODDLER CLASSROOM

Hello February! This month our themes will be nutrition, Valentine's Day, rainforest, and heart health. The letters this month are N, V, R and letter review. The colors for this month are pink and purple. The shapes this month are hexagon and pentagon. The art projects and stories will be based on our themes.

This month we are working on identifying our names. We are also working on identifying letters. We are continuing to practice counting one through ten, recognizing colors, and recognizing shapes.

Please make sure your child has weather appropriate change of clothing in their cubby. Also, please make

sure to label your child's belongings, jackets, sippy cups, etc. As always, if you have any questions or concerns please don't hesitate to ask.

Ms. Amanda

OLDER TODDLERS

February already! Spring will be here before we know it. This month our themes will be nutrition, Valentine's Day, rainforest and heart health. We also will be focusing on the letters N, V, R and doing letter review, the colors pink and purple, and shapes hexagon and pentagon.

In the month of February, we are going to be focusing on our names, letters, shapes and colors. We also will be doing different activities for each of those to help learn them easier. I will be working one on one with them also to help teach them. We will also be learning about Valentine's Day.

Please don't forget to make sure your child has extra pair of clothing in their cubby bin. Also, please be checking the daily's every day on things your child might need for the next day. As always if you have any questions or concerns please don't hesitate to come speak with me.

Ms. Kourtney

PRESCHOOL

Wow! We are already into the second month of 2018. Happy Valentines to you and your family. This month we will be working on learning about the letters N, V, R and letter review. Also, our colors Pink and Purple. We will review all letters and numbers learned so far and continue practicing our writing skills. Our themes will be nutrition, Valentine's Day, rainforest, and heart/dental health. If you have any questions or concerns, please don't hesitate to come speak to one of us.

Miss. Amna

Ms. Shontel

PREKINDERGARTEN

Welcome February! This month we are talking about the colors pink and purple. Our shapes are hexagon and pentagon. Our themes this month are nutrition, Valentine's Day, rainforest, and heart health.

Keep an eye out for any weather changes, we are required to go outside when the real feel is 25 degrees and above. As always if you have any questions, don't hesitate to come speak to one of us.

Special Happy 5th Birthday to Deshaun!!

Mrs. Katie Ms. Jackie
